- A line drawing of a street scene. In the upper left, a food cart on wheels has a vendor wearing a cap and apron serving a customer. The cart has a canopy and displays various food items and bottles. In the center, a man in a hat and a woman in a coat are walking together, holding hands. In the lower right, a man and a woman are sitting at a small round table outdoors, under a large umbrella. They are both holding glasses and appear to be drinking. The drawing is simple and uses only black outlines on a white background.
